Message from Linda

Valentine's Day comes every year to remind us that there is nothing more precious in this world than love.

Love doesn't make the world go 'round. Love is what makes the ride worthwhile.

Remember in the case of inclement weather, we follow the PW school districts example, so if the school is closed, so are we. Check the local TV and radio stations or call to see if we are in the office before heading down to the Center.
